

 Returning to College

 On Monday 8th March I will go back to college.

 This is because the number of people with Corona Virus has

 gone down and people have had their vaccines.

 This means it is safe to go to college.

 I will go to the same classroom, do the same lessons

 and see the same teachers.

 So nearly everything will be the same.

We

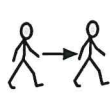

still

need

to

follow

some

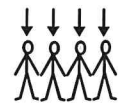

rules

to

keep

everyone

safe.

So if

I can

i

need

to

wear

a mask.

I

must

remember

to

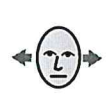

socially distance

which

means to

not

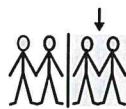

stand

to

close to

other people

I

need

to

use

hand sanitiser

and

wipe

down

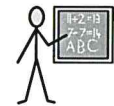

my

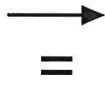

desk,

my

teachers

will

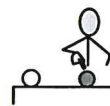

help

me

do

this.

I

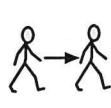

must

remember

to

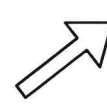

follow

the

one way

arrows

around

college.

This

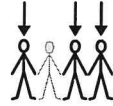

to

stop

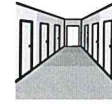

too

many people

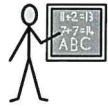

in

corridors.

My

teachers

are

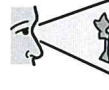

feeling

happy

to

see

me

again.

If

I

am feeling worried

about

anything

I can

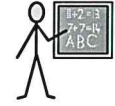

speak

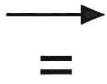

to

my

teachers.

It will be

good

to go

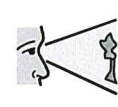

back to

college

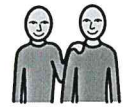

and

see

my

friends

and

teachers.
