

HNC Healthcare Practice for England

Interview task

As part of your course, you will need to fulfil a minimum of 225 hours in placement/work experience. Several of the modules require you to reflect on your practice and in some cases reflect on the impact of legislation when working in Health and Social Care.

For your interview task, we would like you to consider and discuss the implications of the General Data Protection Regulation (GDPR) 2018 in your current or future practice. We will spend approximately 15 minutes on this task.

Please feel free to bring in any information or documentation to help support your discussion.
