Audition Workshop

You will participate in an audition workshop where you will have the opportunity to perform pieces and meet/work with other applicants and our some of our current students. Please allow two hours for the workshop audition and interview.

The audition workshop will consist of the following:

Warm-up Session

Please wear comfortable clothes as you will be given a short vocal and movement warm up to prepare you for the workshop audition.

Speeches and Feedback

You must prepare, memorise and present two contrasting pieces, one contemporary piece and one classical (Elizabethan/Jacobean). Ultimately, choose something that you feel confident with and you believe will demonstrate your potential.

All speeches should be from published plays and should be between one and two minutes in length and suitable for your gender, age and experience. Excerpts from film script, television dramas and unpublished plays are not advisable.

Decision on Initial Audition

After your workshop audition and interview, the panel will review your application and you should receive confirmation by email of the result of your audition.
