

Level 2 Nail Services Technician

A Nail Services technician offers a range of services for clients' nails. They will work independently or as part of a team, supported by a salon/nail bar manager. They demonstrate a willingness to learn, have an enquiring and curious mind and are enthusiastic to learn about their chosen career. They show a good work ethic applied to learning, drive and commitment to learn and maintain continual professional development. They complete nail services on a one to one basis with individual clients within commercial timings. The occupation is fast-paced and customer-focused, providing a range of bespoke nail services, advice and product recommendations whilst meeting legal, industry and organisational requirements and codes of practice. The work environment can be varied in size, style and ambience, from a cruise ship, through to small nail bars or luxury high end beauty salons and spas.

Learners will study the following topics:

- Maintains and manages a nail bar or station in accordance with legal requirements and manufacturer's instructions
- Assesses client's requirements choosing the most appropriate services and products
- Makes and advises on bookings
- Practices safe ways of working
- Advises, demonstrates recommends and sells a range of products and tools used in nail services
- Uses a range of techniques, products, tools and equipment to provide:
 - Manicure services
 - Pedicure services
 - Gel polish services for nails
 - Basic nail art services
 - Nail enhancement services
- Maintains customer confidentiality and rights
- Portrays professionalism that meets legal, industry and organisational requirements and codes of practice for nail services

Qualification to be achieved:

- Level 2 Diploma for Beauty Professionals – Nail Services Technician
