

## **Payment options available for Access to Higher Education Diplomas Advanced**

### **Learner Loans**

- This Government loan will be paid directly to the college, and is linked to your attendance.
- You will start to repay your loan when you start to earn over £25,000 per annum (correct at time of posting).
- If you take out an Advanced Learner Loan to fund an Access to HE Diploma, then go on to complete a higher education course, you'll be eligible to have the balance of your Advanced Learner Loan written off. However, if you don't complete either course, you won't be eligible to have the balance written off, and will need to repay your loan in full.
