CROWN
GROUP

 **Information session: 01/09/26**

 **Course starts: 07/09/26**

 **East Sussex College, Lewes Campus,
Mountfield Road, BN7 2XH**

Take the first step towards a rewarding career in the rail industry with our fully funded Rail Engineering Track Maintenance course. You will gain nationally recognised qualifications, hands-on practical experience and Safety Critical Training to help you secure employment in the rail industry.

This is a full time course, running over 6-8 weeks, Monday to Friday from 9am - 3pm.

Course content:

- Level 2 NVQ & Diploma with City & Guilds
- Industry job opportunities
- PPE & learning resources provided
- Safety Critical Training (PTS, TIC, OLEC1, DCCR)
- Small tools training & assessment

Fully funded for eligible learners aged 19+ (on 31/08/26) who are claiming benefits or earning a low wage (evidence required). Residency conditions for non-UK learners may apply.
