

HAIRDRESSING PRICE LIST

Evolve Eco Hair and Beauty Salons offer a real alternative to the high street with value for money treatments. A range of hair care and beauty treatments are available at greatly reduced prices. Evolve training studios offers excellent skills training with professional industry specialist lecturers who have sound experience and knowledge to guide our trainees.

Evolve Eco Hair and Beauty where possible follows 'Sustainable and Eco friendly' practices. Our hair colour is either free of ammonia or very low ammonia and PPD free. The products we use are paraben, sulphate and cruelty free and we recycle as much as possible. Water saving shower heads filter and reduce water usage and we use disposable towels which our clients can take home to reuse.
