SKILLS BOOTCAMP INTRODUCTION TO ENGINEERING INDUSTRY

East Sussex College has secured funding to launch a brand-new Introduction to Engineering Industry Skills Bootcamp!

Designed to support adults into employment or apprenticeships within the engineering sector, the programme combines practical training, employability development, and industry-focused learning in professional-standard engineering workshops and specialist facilities.

COURSE CONTENT:

- Introduction to Engineering Skills at Level 2
- Practical mechanical and electrical skills
- Technical knowledge

FREE FOR ELIGIBLE LEARNERS WHO:

- Are not enrolled on another Skills Bootcamp
- Live or work in East Sussex
- Have the right to work in the UK
- Aged 19+

**NEXT COURSE STARTING SUMMER 2026!
8 WEEKS, 2 DAYS PER WEEK
ORE VALLEY CAMPUS - HASTINGS**
